**GREATNESS OF
BEATTY RECALLED**

Former greatness of Beatty, Nevada, is recalled by a suit filed yesterday before the state supreme court to establish ownership of a hotel and saloon erected by Beatty in 1906. Then John Gusti, Jr., erected a two-story hotel and added a bar-room equipped with piano, cash register, faro layout, roulette wheels, slot machines and a 24-foot mahogany bar. The stock included liquors, whisky and other beverages now for bidden, valued at \$1700.

Beatty's boom days passed and John Gusti has died. Now only the shadow of both appear in the case before the court. When Gusti died his father obtained possession of the hotel and saloon. The widow sued in the lower court to obtain an accounting. She won in the district court and the father has now appealed from the verdict.

The briefs submitted declare the liquors have gone and the fixtures that once equipped the oasis in the desert have also disappeared. The widow seeks to learn how, when and where.

**EXTINCTION OF
RACE IS FEARED**

Official Figures Show Natives
of Hawaii Are Rapidly
Decreasing

(Correspondence of Associated Press) HONOLULU, T. H., Aug. 7.—Hawaii's native race will be extinct in 75 years if the ratio of births and deaths set by the official figures for the fiscal year 1919-20 is maintained. This is indicated by the report of Dr. F. E. Trotter, president of the territorial board of health, which shows that during the year the deaths of pure-blooded Hawaiians totaled 1009, while there were 676 births.

There are approximately 25,000 pure-blooded Hawaiians living on the Hawaiian Islands, according to estimates. Reports for past years show decreases in their numbers.

Of the Caucasian-Hawaiians, 249 died during the last fiscal year, while there were 699 births in that section of the territory's population. The native-Hawaiian strain—principally Chinese-Hawaiian—recorded 193 deaths and 491 births.

In the Race for State Senator

(From the Manhattan Magnet, August 7, 1920)

In seeking at the hands of the Democratic party the nomination

State Senator from Nye County, Ben D. Luce stands upon his records. He has always been a zealous worker for his party, but when he served the people of this county in the Legislature, he strove for the general good of all the people, no matter what might be their political affiliations. Although himself too old to shoulder a rifle, he sent his son to battle and was a vigorous war worker throughout the conflict. Mr. Luce was a power in the Nevada Legislature, and when he was chosen Speaker of the House his every decision was marked by impartiality and good judgment. He has been a resident and taxpayer of Nye County for many years and is a heavy operator in the mill tailings industry at Tonopah. He merits and enjoys the confidence and friendship of all his workmen.

**POLISH HEROS
SWORD IS FOUND**

Relics Once Carried By King
Sobieski Now in Hands
of Cossack Diet

(Correspondence of Associated Press) PEKING, July 23.—An elaborately studded sword, said to have been carried once by King Jan obieski, national hero of the Polish people and by him captured from a Turkish general in an engagement near Warsaw nearly two and a half centuries ago, was presented by the Siberian Cossack diet to Lieutenant General Ivanov-Rinov, erstwhile commander of Koichak's Cossack troops in the days of the August advance in 1919, just before the final disaster that befell his armies. The historical relic is still in the possession of the Cossack ataman who is now with Semenov in China.

Sobieski more than once saved Poland from the Turks and from domestic disintegration in the seventeenth century, and was then elected by the senate to the Polish throne. He was the greatest strategist of his time and with 30,000 men routed Turkish hosts of hundreds of thousands. That the sword originally belonged to the Turkish general is attested by a seal on the hilt where the name "Hussein" appears in Arabic characters.

**FOOTBALL WORK
TO START SOON**

Preparations Under Way At Oregon Agricultural School
For First Practice

(By Associated Press) CORVALLIS, Ore., Sept. 1.—Football men of the Oregon Agricultural college here are getting ready for the 1920 games of the Pacific Coast conference. First practice will be held September 15.

New tackling dummies are being set up on the football field, charging machines are being put into shape and members of the squad and the coaching staff are beginning to report after their summer vacation absence.

Pacific university of Forest Grove, Oregon, will be the first opponent of the Oregon Aggies this year. The game will be played here October 9. The Aggies meet the University of Oregon for the state intercollegiate championship here November 20.

**MAY ADVANCE OPEN
SEASON FOR DOVES**

Amendments to the migratory bird act that will permit the shooting of doves in Nevada before September 16 is being considered by the national government. I. C. Emmett, U. S. game warden, at Ogden, Utah, told members of the Fish and Game Protective association of Nevada. Mr. Emmett is visiting Nevada to make a survey of game and fish conditions with a view to added production. He spoke at a meeting held in Reno last Saturday.

Mr. Emmett explained that the migratory bird act was based on treaty agreements with Great Britain and it was necessary to have Great Britain's consent to alter the treaty. This consent has been asked and it is expected will be granted. The speaker said Nevada, in common with other western states, were discriminated against by the statute, as the doves are protected in the state until they have left, traveling south.

He also suggested changes in the Nevada game laws to prevent sale of trout taken from streams in the state. This is the only state in which such sale is permitted, he said, and so long as that continues to be the law it will not be possible to keep the streams stocked with fish.

**DEMOCRATS MAY
LOSE ARIZONA**

PHOENIX, Sept. 2.—Arizona registration reports to the secretary of state show the Democrats are in danger of losing this former Democratic stronghold. Republican gains in every county have aroused Democratic leaders to the necessity of strenuous measures to prevent the electoral vote from going to Harding and Coolidge. In Phoenix the last reports showed the Democrats with a lead of only 1000 and rapidly losing that, where four years ago their lead was more than two to one.
